

REDI-GRO ROCKS, SANDS, MANURES & SPECIALTIES

Redi-Gro Rock Nuggets

Redi-Gro Nuggets and Decomposed Granite are excellent for low water and low maintenance landscaped and xeriscaped areas. DG makes great walkways.

- 1964 - Red Nuggets ½ cu ft bags
- 1965 - Black Nuggets ½ cu ft bags
- 1967 - White Nuggets ½ cu ft bags
- 1966 - Decomposed Granite ½ cu ft bags

Redi-Gro Sand

Redi-Gro Sand is great for increasing drainage and loosening soil and creating play areas.

- 1950 - 50 lb. bags (horticultural sand)
- 1952 - 50 lb. bags (play sand)

Redi-Gro Pea Gravel

Redi-Gro Pea Gravel is excellent for walkways and irrigation projects.

- 1960 - ½ cu ft bags (pea gravel)
- 1962 - ½ cu ft bags (aggregate rounds)

Redi-Gro Steer Manure

Redi-Gro Steer Manure increases bacterial action and promotes the release of nutrients in the soil. Use as mulch or to condition poor soils. Redi-Gro Steer Manure improves soil structure, encouraging more efficient penetration of air and water to plant root systems.

- 1100 - 1 cu ft bags
- 1103 - 2 cu ft bags (Farmers)

Redi-Gro Chicken Manure

Redi-Gro Chicken Manure is an excellent source of natural nutrients when rototilled into vegetable and flower gardens. Apply by mixing around the base of trees and shrubs or lightly to topdress lawn areas.

- 1110 - 1 cu ft bags

Golden State Ammonium Sulphate

Golden State Ammonium Sulphate 21-0-0 is a quick acting fertilizer for fast greening results. The most recognized and recommended fertilizer.

- 2700 - 20 lb. bags

Western Mineral Gypsum

Western Mineral Ultra Fine AG is an OMRI approved gypsum. Gypsum is a great soil conditioner. It aids in loosening heavy clay soil, counteracts salt damage, improves soil conditions for deep root growth and adds vital nutrients.

- 308502- 40 lb. bags
